The image shows a mobile application interface for tracking temperature. At the top, there's a navigation bar with a back arrow, a globe icon, and the text 'Homepage'. Below this is a menu with four items: 'Homepage', 'Settings', 'Help', and 'Log Out'. The 'Log Out' item is highlighted with a blue circle. To the right of the menu is a 'Quit' button. The main content area is titled 'User1 Readings'. Below the title is a 'Select Date' button. The 'Temperatures' section contains a table with four rows of data. At the bottom, there are three tabs: 'General' (selected with a blue circle), 'Body °', and 'HR'.
